*Student's Statement:*

I am responsible for meeting the published eligibility deadlines or I won't receive a student teaching placement. I have read all the information in this packet and am aware of my responsibilities. Should I change my student teaching plans or be unable to meet eligibility requirements, I will notify the Office of Clinical Experiences at once.

I am aware that student teaching is a full-time commitment and that SCSU discourages student teachers from taking other classes or being employed while student teaching. Student teaching is the priority and I will not be released early or late to accommodate outside work or activities.

I understand that this information will be shared with student teaching sites and SCSU personnel as part of the placement process and that I am not guaranteed a placement of my preference.
