It is recommended that students take the lower-division major courses as a part of the Minnesota Transfer Curriculum (MnTC) or Associate in Arts (AA) degree if possible.

If a student completes a Goal within the MnTC, the same Goal will be completed at SCSU once transferred.

Additional Requirements to Consider when Degree Planning:

- Completion of 10 Goal Areas (40 credits) in the MnTC (known as the Liberal Education Program at SCSU)
- 40 upper-division credits (300-400 level coursework) and a 2.0 GPA are required to graduate from SCSU
- Completion of three Diversity courses. (Maybe adjusted depending on the amount of transfer credits). One Diversity course must be an approved Racial Issues Graduation Requirement (RIGR) course (see Goal 7 for RIGR courses).
- Complete Residency Requirement. 30 credits must be earned at SCSU
- Earn a minimum of 120 credits to graduate with a bachelor's degree
