 - Overall this program is a good thing for anyone to join. Has benefits for any major
- Judith Siminoe- Special Advisor to the President

- Policy draft for posters
- For one-year members of the policy team have been trying to make a uniform policy for posters and handouts on campus
- Expectation that every poster and display have a name plate, so they know who owns it and who is responsible for it
- Prior to displaying all organizations must have advisor's approval
- If contact information is missing, contact university facilities to figure it out, In the academic office or the dean otherwise the facilities will be responsible for holding this standard
- Search for university policy and able to find use of outdoor spaces is a way to manage speech, 5 spaces are designated free speech areas.
- Can only restrict speech if it is disruptive to the university
- Have areas available on campus that are open to everyone
- Haves some guidance 3 weeks before the event and anyone can remove it after the event has happened
- Since we are a public institution cannot hinder people's viewpoints, if there is bad speech then have dealt with it with more speech
