## **Hearings**

Open Gallery I

- Dean Ali
  - Interim Dean of College of Science and Enringing (COSE)
  - Has 9 different departments
    - Various departments in engineering, mathematics, sciences
    - 2,000 students in 40 different programs
  - Student Success in the college means they have a successful career and able to keep their career.
  - They host an external advisory board that give their opinions on what the students should be learning to give the school updates to the programs to better prepare students before they enter the job world
  - Emphasize discovery learning with undergrad research
    - They partner with industry and industry offers projects to students to complete for a real industry problem. One of those classes include senior design.
  - The college seeks input from the students by having a committee advisory board to recommend different things self-run council and do not have faculty there when meeting
  - When hosting prospective students, the students can ask current students any question they want them to answer
  - Over 90% get jobs in their fields when they graduate
  - Host some competitions like robotics, support the organizations associated with the college
- Dean Harris
  - Dean of Herberger Business School

- Quality in the programs offered, AACSV accredited and only 5% of colleges have this accreditation
- Give great career opportunities to students
  - 30, 3, 1 30 people get the interview, 3 people become the finalist, 1 is hired at the end
  - At the school they prepare their students to be the one
- Top Ten pieces of advice from Dean Harris
  - Get practical work experience – internships, not just a position but to learn what they want to do in life
  - Multiple Classes with the same professor, for recommendations
  - Global experiences, study abroad
  - Graduate education- separate themselves
  - Communication skills- number one skill looked for
  - Academic programs- separating oneself
  - Client consulting classes
  - Positive Attitude
  - Having Mentors for a student to have
  - Career Center, resume, cover letter and linked in
  - Pride in the school
- Examine the issue of having just one professor teaching a group of class
  - Any concerns please feel free to talk to him anytime
- Chart your Course is a book
  - Oct 29 HBS 211 and talk about career strategies
    - In Riche Auditorium at 10am
- 90% find positions in their field they wish to be in
- Always have a back up plan by having a minor and thinks it is healthy for students to have a minor anyways to be well rounded
- 58% are faculty are women or faculty of color
  - Proud to have great diversity in this college

## Internal Elections

Table all applicants that did not show up today. **-Approved**

Welcome Noah Taylor to student government association as an At-Large Senator

## Plenary Session I

### Unfinished Business

### New Business

- Parliamentary Procedure Basics
  - Book in the office for more information
- Member Expectations
  - At Large Senators, College Senators, Chairs and others
  - Everyone must sign in and out in with having a witness sign
  - Senators must have 4 volunteer hours approved by the vice president
    - Attend an external committee
    - Attend a student united delegation

- Attend other organization's meetings
- Chair Appointments
  - Tech Fee and Urban Affairs – **Approved**
- Lunch and learn
  - Topics will change but will be 12 to 1, on free speech on campus in the cascade room
- How do we help those who were affected by incidents that happened on campus without making it a huge deal to the new incoming students?
  - Wanting the have the college republican's new faculty leader come in to speak about their current objectives and open a new dialog with them but do not want to give them attention
  - The open dialog was opened by this event and is now being held more often since this incident
  - Recommend pushing to look at the silver lining rather than peeling the scab off the wound.
  - Suggestion to have an open meeting for organizations to come and share their ideas to create discussion among others
  - Poster and Display Policy will be discussed later

### **Recess 6:53-7:15**
