Deryl Scholtz came and talked to the body about the migration to Office 365. Office 365 will not be hosted on campus but rather in the cloud. The amount of the space will be greatly increased. Additional file space will also be offered. It is also very mobile friendly. Staff has mostly been migrated, student will be migrated during spring

break. Somethings that you will notice are a new login screen, also you will be using your email as your username rather than you're Star ID, with your Star ID password.

Chair Muzzamil: Once we will be transfer, will we have to login twice or just once

Deryl Scholtz: The links will be changed so you no longer have to do that.

RHA Rep Warneke: Are you guys going to explain the One Drive to students?

Deryl Scholtz: On the tech homepage on SCSU there are video and frequently asked questions. Your old file space will not be replaced at this time.

Senator Kennedy: Concerning the mobile access, will we have to get a different app?

Deryl Scholtz: For Apple you can use the mail option right on your phone.

Senator Bryson: With the recent email problems is it due to Office 365?

It is a different problem, with how old the servers are and once we switch to Office 365

Chair Schlepp: We will not lose any emails correct?

Deryl Scholtz: Nothing will be lost no.

Senator Mitchell: Currently the policy is that once you graduate you can still use your email for 6 months will it be the same?

Deryl Scholtz: Yes

Senator Choi: Will your email address be the same?

Deryl Scholtz: Yes they will be the same

Jane Olson is here to talk to the body about the Women's Center. She talked about a few things that are happening at the Women's Center, such as the working with uninsured students as another clinic is approaching to get students enrolled. Another activity is the Women on Wednesdays, it has started again this semester and has started strong. The Women's Center will also be hosting a play called "that takes ovaries". They are also planning for the coming months.

Senator Bryson: So the multicolored sheets about the grants?

Jane Olson: They will be doing a needs assessment and see what our campus needs as it is just getting started.

Senator McLeod: She is working in LGBT and is excited to see all these programs come to action
