ii. David from Public Safety

He came to answer any questions that people have about the shootings going on.

Questions:

Senator Enstrom: What are the policies you have for our large campus?

Speaker: It's written in our emergency policies. Our officers are called for all emergencies on campus.

Senator Enstrom: Do you have any thoughts of the shooting that happened in Oregon today?

Speaker: I don't know enough about it yet.

Senator Mitchell: What are your thoughts on permit to carry on campus.

Speaker: I haven't been allowed to carry on the campus even though I have the permit and I'm okay with that. I think we need to trust the people around us enough to keep us safe. There are a lot of dangers that come along with that.

Chair Uecker: Current policies state that campus can choose to allow the permit to conceal and carry.

Senator Nagy: What would you do if there was a shooter on campus?

Speaker: Students would get a text through their star alert system.

Cori Beckerman from Health and Human Services invited Rolanda who is working to get students health insurance.

Rolanda: We help people enroll in public programs and private programs to find the best options for them. We have a more developed role in getting students health care than any other campus in the state.

Questions:

Senator Mitchell: Where are you located?

Speaker: Downtown on 6th Street, by the Perkins downtown.

Chair Krantz: What is the main provider you work through for insurance.

Speaker: The overwhelming majority of students are put on a public program.

Chair Krantz: When you have low premium or no premium, is there no deductible.

Speaker: We all know that inverse is true. The public programs kind of erase that.

Senator Igale: If a student has a low income, and they qualified for the no deductible plan, if their income changed would that change?

Speaker: Yeah, it is based on your income at the time.

Senator Igale: How do they know? Do you have to fill out a form for that?

Speaker: You are supposed to report any changes.

Senator Nagy: When you say low income students, is that based on state or federal bracket?

Speaker: It works off your adjusted gross income. They have guidelines to base the eligibility.
