Executive Session called because of no quorum.

Open Gallery I

Vice president of university advancement:

Husky plaza update 5:10pm

- President of student government speaking September 28th
- Postcard for the event creating community and engaging students is important husky plaza will help that. Its where great relationships should start
- Goal is to make it social attraction
- It's the 150<sup>th</sup> year anniversary
- Time capsule will be placed
- \$80,000 scholarship was acquired due to the purchase of the husky plaza bricks.
- Husky should look like a husky

Jane Olsen (women's center president)

- Thirty years at SCSU on Sep 28<sup>th</sup>
- Criminal gender AMBIGUITY
- Educational programming: a seven part series that explores the lights joys and challenges in women's life
- SCSU has a history of organizing rallies (take back the night, sep 26) about taking back the streets for one night so women could be free
- One of three confidential organizations on campus
- Gender violence prevention program required for student to attend the campus
- Center for disease control: approximately a thousand student ae trained to become active bystanders every year
- Scholarships for non-traditional women
- Affiliated with two different orgs: it's on us and students for choice
- Pregnancy resource center honest advertising required because it raises a lot of emotion

- Training with tutor in all the various STEM fields
- Next Student government meeting will be held at the Take Back The Night rally Barden park
- Senator Dunn: the rate of depression is increasing and it is not addressed as much it should be what is the university planning on doing about this.

ANS: many initiatives but not able to be named, various forms of engagements on campus, social media

COC Yousafzai : suggestion that the center should be more welcoming to people that identify as male and should be more handicapped accessible

ANS: The location of the center is not handicap accessible accessible.

Chair AL: which services does the organization choose for students to utilize

ANS: the hopes are it does not have to be an either or. The issue is the stigma.

VP Strina : are there any other events planned by the organization besides the rally
