- d. Approval of today's agenda: Moved by Senator Hudson, Motion passes unanimously

II. Hearings

- a. Open Gallery
 - Policy Renewal
Chair Karki: Asking for renewal of policy to be passed in order to help organizations with funding. Senator Hudson made a motion to make a temporary approval to pass the policy. Motion passes successfully.
 - President Malik
Going back to an event light up the night. Identify spots that could use more lights or more safety measures. A good way to involve a lot of organizations, to move around the campus with hot chocolates.
 - Chief Justice Yeruvuri
Presentation on what Student Government Association is all about, who makes up Student Government, and responsibilities/roles of each member. Ran through the decorum of how to conduct ourselves physically in a meeting.

III. Officer Reports

- a. President
We were able to participate IN THE MSS meeting. Discussion about cultural night can be funded by SGA. Was approached by huskies events and asked if we can collaborate with our sustainability committee. Cleaning up the university give out blankets to the unfortunate. Student United is restarted and trying to recruit so students can apply for it.

- b. Chief Justice
No report just cross-questions about things said by President Malik.

IV. Committee Reports

- Fee Allocation
Chair Rau is meeting with her advisor, may have more update next meeting
- Public Relations
SCSU has spare camera for us. Instagram takeover about to start. Next week about to have a questionnaire for us. SFC post soon. Meeting with Stern County. “Huskies get back” where different groups go volunteer soon. Picture wall in Atwood.
- Senate Finance
We will start working on it since the policy has been passed. Recent request from volleyball team will work on it next week.
