

Dear Colleagues,

Join us at the [OLC Innovate Virtual Conference](#) – faculty and staff can participate in live streaming sessions and the recorded sessions at no cost.

Access live stream sessions Mondays through Fridays, June 15-26, 2020.

Please refer to the [Virtual Hub](#) to view the streaming session schedule.

The "Unlimited Virtual Pass" is available once you login to OLC and go to the [REGISTER page](#) and select "Register - Virtual". We encourage you to register prior to the event start date. Once registered, participants will receive access instructions for live-stream viewing. Recordings will be available approximately 24 hours after each session concludes.

Please note: OLC has upgraded their OLC User Account system. If you have not created a new account since Jan 24, 2020 you will be required to establish a new account (this is due to password security).

1. Log in (and create a new account if not yet completed) at my.onlinelearningconsortium.org. Be sure to use your institution email domain when you create your user account in order to receive your school's benefits and virtual package availability.
2. Once logged in, navigate to the OLC Innovate webpage and select the [REGISTER/PRICING tab](#) - select "REGISTER - Virtual", and you will be taken to the Event Overview page):

Event Overview

OLC Innovate 2020 - Virtual Attendee Registration

The virtual attendee option provides the opportunity for individuals and institutions to attend select sessions of the conference via live stream services. On-demand access of all recorded sessions is provided to onsite and virtual attendees post-conference for one year.

For customer service inquiries about the virtual conference, please email conference@onlinelearning-c.org.

- 3.
4. Select Register (pictured above) - you will see the Virtual Unlimited Pass (free) at the top of the registration items list. Select the Virtual Unlimited Pass and follow the registration prompts to complete your purchase. You will receive a confirmation email with instructions on accessing the live-stream sessions and on-demand recordings.
